#### NOTIFICATIONS.

Port St. George, July 15, 1928.

No. 574.—In exercise of the powers conferred by sections 12 (2) of the Madras Survey and Revenue Act 1912 of 1918 the Government in Council hereby direct the survey under the provisions of the said Act of parcels No. 4-3 (part) to be assigned for burial ground for Christians in village No. 126 Saram Nandam, Sriperumbalur taluk, Chingelput District.

Port St. George, July 16, 1928.

(G.O. No. 1425, Revenue).

No. 575.—In exercise of the powers conferred by sections 5 and 25 of the Opium Act, 1878, the Government (Ministry of Public Health) direct that the surplus opium so directed in Notification No. 2, dated 24th July 1928, on pages 706-714 of the Port St. George Gazette, dated 12th July 1928, Part I, as modified by subsequent notifications shall be disposed as follows:—

Subsists the following for the existing rules 24-100.

"34. All preparations of morphine containing not more than 0.2 per cent of morphine may be transported, imported, exported, possessed and sold without restriction."

Port St. George, July 13, 1929  
(S.O. No. 5612, Customs).

By 272.—In exercise of the powers conferred by sections 3 and 13 of the Opium Act 1 of 1878, the Government (Ministry of Public Health) direct that the Revised Opium Rules published in Government Notification No. 95, dated 25 February 1925—published as pages 347-348 of the Port St. George Gazette, dated 25th February 1925, Part I, shall be amended as under:—

Substitute the following for the existing rules XIII and XIV:—

XIII. Rules VI to XII regarding transport and export shall not be understood to prevent the transmission of opium by post.

XIV. Subject to such orders as may be issued by the Government of India in this behalf the export of opium by land is permitted in the following cases only:—

(1) To French Settlements in the Presidency of Madras:—

(a) *Otherwise than by post*—Subject to the production of an import certificate from the Government of the importing country appearing of the import and under an export authorisation obtained from the Commissioner of Excise, Madras. No export authorisations will however be necessary in the case of exportations by land accompanying individual travellers, of opium and intoxicating drugs other than those used for smoking up to the limit within which government is allowed without a pass in the adjoining British territory.

(b) *By post*—No export will be allowed by post in any circumstances except by parcel post. Export authorisations will be granted for despatch by parcel post subject to the condition that the import certificate produced from the Government of the importing country expressly authorises the despatch by post and states that the drugs are required for medicinal purposes only.

(2) To Indian States in the Presidency of Madras:—

(a) *Otherwise than by post*—Subject to the production of an import certificate from the Government of the importing country appearing of the import and under an export authorisation obtained from the Commissioner of Excise, Madras.

(b) *By post*—The export will be allowed only by parcel post and the following conditions will be enforced:—

(i) The parcel shall be insured.

(ii) The Local Government will be at liberty to prohibit transport by post from any place within its jurisdiction to any Indian State.

(iii) The export shall be covered by an import authorisation (an advance to the export authorisation) which shall be issued by the proper authority in the State to which the parcel is addressed; and it will be open to any State to refuse the issue of such authorisations.

(iv) The parcel shall be accompanied by a declaration stating the names of the consignee and the consignor, the contents of the parcel (including the number and date of the authorisation covering the consignment), the number of the licence held by the consignor and such other particulars as the Local Government may determine in connection with the State concerned. This declaration shall be made by the consignor and handed in at the post office at which the parcel is tendered for transmission.

Note.—Exportations to the case of Item (2) and (3) will be sent in triplicate one copy being retained for record, one being handed over to the consignor as to it is not necessary the consignor should being accompanied in the consignment at the time of exportation, a fourth copy will be sent to the consignor at the post office at which the parcel is tendered for transmission.

(3) To any part of British India outside the province under an import authorisation granted in accordance with the rules in such part and accompanied by the Commissioner of Excise.

The import, transport and export of opium in transit through British territory from one province to another of an Indian State or French Settlement in the Presidency of Madras are permitted subject to such regulations as may be prescribed by the Commissioner in such case.

No. 215.—In exercise of the powers conferred by sections 3 and 13 of the Opium Act 1 of 1878, the Government (Ministry of Public Health) direct that the following proviso be added to Rule 18 (2) of the Madras Opium Rules published in Government Notification No. 354, dated 1st November 1877, on page 1521-1522 of the Port St. George Gazette, dated 1st November 1877, Part I:—

Provided further that the following procedure shall be followed in the case of exports to Indian States and French Settlements where export authorisations granted by the Chief Excise authority:—

1. To French Settlements in the Presidency of Madras:—

(a) *By post*—No export will be allowed by post in any circumstances except by parcel post. Export authorisations will be granted for despatch by parcel post subject to the condition that the import certificate produced from the Government of the importing country expressly authorises despatch by post and states that the drugs are required for medicinal purposes only.

(b) *Otherwise than by post*—Export authorisations issued by the Chief Excise authority will be granted under ordinary conditions. No such authorisations will however be necessary in the case of exportations by land, accompanying individual travellers, of narcotic drugs in small quantities (for the personal use of the traveller or his family) from a consigned physician or licensed pharmacist in Madras Presidency.

2. To Indian States in the Presidency of Madras:—

(a) *By post*—The export will be allowed only by parcel post and the following conditions will be enforced:—

(i) The parcel shall be insured.

(ii) The Local Government will be at liberty to prohibit transport by post from any place within its jurisdiction to any Indian State.

(iii) The export shall be covered by an import authorisation which shall be issued by the proper authority in the State to which the parcel is addressed; and it will be open to any State to refuse the issue of such authorisations.

(iv) The parcel shall be accompanied by a declaration stating the names of the consignee and the consignor, the contents of the parcel in detail, the number and date of the authorisation covering the consignment, the number of the licence held by the consignor and such other particulars as the Local Government may determine in connection with the State concerned. This declaration shall be made by the consignor and handed in at the post office at which the parcel is tendered for transmission.

(v) *Otherwise than by post*—Export authorisations issued by the Chief Excise authority will be granted under ordinary conditions.

Note.—Exportations by land, in the case of Item 3 and 4 above will be sent in triplicate one copy being retained for record, one being handed over to the consignor as to it is not necessary the consignor should being accompanied in the consignment at the time of exportation, a fourth copy will be sent to the consignor at the post office at which the parcel is tendered for transmission.

THE WILLIAMS ELECTRIC LICENCE, 1928 (DRAFT).  
Licence for the supply of electric energy granted by the Government of Madras under the Indian Electricity Act, 1910.

Licence is hereby granted to Chari and Chari, Limited, to supply electrical energy in the area with the terms and upon terms and conditions as specified below:—

1. *Short title*—This Licence may be cited as *Willis Electric Licence, 1928*.

2. *Interpretation*—This Licence is to be read and construed as subject to all provisions of the provisions of Indian Electricity Act, 1910, with the statutory modifications thereof and to the rules thereunder, and the several orders, forms and regulations, in which meanings are assigned by the Act or any statutory modifications thereof or by the rules thereunder or the General Clauses Act, 1907, shall have in this licence and the annexures thereto the same respective meanings provided that in this licence:—

(1) The expression "The Act" shall mean the Indian Electricity Act, 1910, with the statutory modifications thereof.

(2) The expression "The Licensee" shall mean and include Chari and Chari, Limited, Madras and their permitted assignees.

(3) The expressions "First Annexeure", "Second Annexeure", "Third Annexeure" and "Fourth Annexeure" shall mean the first, second, third and fourth annexures to this licence respectively.

(4) The expression "Deposited Map" shall mean the plan of the area of supply particulars specified, which has been deposited with the Government of Madras in pursuance of the rules under the Act, and which plan is signed for the purpose of distribution by the Secretary to the Government of Madras in the Public Works Department and by the applicants, Chari and Chari, Limited, Madras.

(5) The expression "Unit" shall mean the quantity of energy contained in a current of one thousand amperes flowing under an electromotive force of one volt during one hour.

(6) The expression "Lost Factor" shall mean the actual percentage of the average quantity per hour in the maximum quantity per hour of energy supplied to any user.

3. *Commencement of Licence*—The date of notification by the Government of Madras in the Port St. George Gazette, that this Licence has been granted is in this licence referred to as "The Commencement of the Licence."

4. *Duration*—(a) The period within which under clause (1) of the Schedule to the Act, the licensee shall show that they are in a position fully and efficiently to discharge the duties and obligations imposed upon them by the licence throughout the area of supply shall, unless otherwise ordered by the Government of Madras, be two years from the commencement of the licence.

(b) The period within which under clause (1) of the Schedule to the Act, the licensee shall deposit security and the sum to be deposited shall, unless otherwise ordered by the Government of Madras, be nine months and repays three months and proportionately.

5. *Area of supply.*—The area within which the supply of electric energy is authorized by this license is the whole of the area contained within the municipal limits of Madras and more particularly delineated in the deposited map by red line enclosing the said area.

6. *Purpose of supply.*—Subject to the provisions of this license and the Act and the rules thereunder, the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes except in bulk. Provided that the licensee shall not be under any obligation under section 22 of the Act to supply more energy than is consistent with their obligation to maintain a constant supply to consumers due regard being had to the licensee's best interest.

Provided that no supply of energy shall be authorized to be given by the licensee to consumers as occupiers of private premises until the Government of Madras have approved the form of requisition to be made by the owners or occupiers for such supply of energy and also the form of written contract or agreement with the licensee to take a supply of energy, which is to be executed or entered into by owners or occupiers and until the Government of Madras have also approved the amounts of all miscellaneous charges incidental to or in connection with such supply and which the licensee proposes to make against the consumer or occupier.

7. *System of supply.*—The system of supply to be adopted for the supply of electric energy under this license are the following:—

(1) (a) A medium pressure alternating current, three phase, four wire supply at a pressure, at the consumers' terminals, of about 600 volts (approximately) between phases and 330 volts between phase and neutral, which shall be carried at one point only or as separate distributing system at a frequency of fifty complete cycles per second.

(b) A high pressure alternating current three phase supply at a pressure not exceeding 3,500 volts between phases at a frequency of fifty complete cycles per second.

(c) The neutral points of the high pressure system may, with the approval of the Government of Madras and the concurrence of the Telegraph authority, be connected to earth.

Provided always that it shall be lawful for the Government from time to time to issue, with due regard to the expense involved and to the effect upon the commercial properties of the undertaking regulations dealing with the above systems of supply or to authorize other systems of supply to be adopted for the purpose of this license.

Provided also that the licensee may from time to time, with the previous consent in writing of the Government of Madras and subject to such limitations and conditions as may be prescribed by the Government, adopt any other system of supply for the purpose of this license.

(2) (a) The licensee, having taken notice and written consent may be overhauled or discontinued in whole or in part and shall be erected, constructed and maintained by the licensee in strict conformity with the Act and the rules thereunder.

Provided that nothing in the license shall authorize the licensee to use overhead lines at any higher pressure than medium pressure without the sanction in writing of the Government of Madras in each case and subject to any conditions or limitations which the Government of Madras may prescribe.

Provided also that no installation of any aerial line erected in, over, along or across any of the streets mentioned in clause 1 of the said license shall be at any other streets which may at any time hereafter be added in writing by the Government of Madras shall be at a least height from the ground than 25 feet.

Provided further that in the streets mentioned in clause 1 of the said license levels as in any other streets which may at any time hereafter be added in writing by the Government of Madras, all electric lines shall be laid underground.

(4) Where overhead mains carrying alternating current are used, due precautions shall be taken by the licensee to avoid any possible interference with the adjacent telegraph or telephone wires due to induction effects.

(5) For the purpose of rule 61 of the Indian Electricity Rules, 1912, the licensee's wind pressure shall be taken as 20 lb. per square foot.

8. *Compulsory works.*—(a) The licensee shall by due and efficient distributing mains and service wires to the satisfaction of the Government of Madras for the purpose of supplying electric energy throughout such streets or parts of streets as are mentioned in the first schedule and as indicated in red on the deposited map. In the case of difference between the developing in the first schedule and as indicated on the deposited map, the latter shall prevail. The licensee shall moreover be entitled to the works mentioned within its limits from the commencement of the license and shall complete the same within three years thereof.

(b) If the licensee fails to comply with the above provisions or should in the opinion of the Government of Madras the progress made during any period of the said three years be unsatisfactory, the license may be revoked.

(c) The licensee shall submit reports every six months from the commencement of this license and the completion of the compulsory works specifying all works taken out the progress made in carrying into effect this license.

(d) The licensee shall, subject to the first provision in clause 6 of this license supply all the energy demanded by the Municipal Council of Madras.

9. *The generating station*—shall be within or near the area of supply.

10. *Handling up of the electric and railways and crossing of water ways.*—(a) The licensee are hereby specially authorized to open and break up the soil and pavement of the streets whether or not repairable by the Government of Madras or by the local authority and moreover in the case of crossings in this license and also the railways or parts of railways run through in the said area as far only as requires level crossings, most overhead and parts of the railways running along the highway.

(b) The length of the trenches to be opened on any streets at any one time and the period for which they remain open shall be determined from time to time by the Government of Madras or the local authority by which such streets are governed. When any street is closed not more than half the width of such street shall without the specific authority in writing of the Government of Madras be used for any other purpose than the laying of the lines.

(c) The licensee are further authorized to cross all rivers, streams or irrigation channels within the area of supply in accordance with such conditions as the Government may impose.

11. *Limit of price to be charged in respect of the supply of energy.*—The price to be charged by the licensee for energy supplied by them shall not exceed those stated in that behalf in the fourth schedule or in the case of a method of charges approved by the Government of Madras in accordance with clause 10 of the Schedule in the Act, such maximum as the Government of Madras may fix in appointing the method. Nevertheless the licensee may enter into special contracts subject to sections 22 and 23 of the Act, for the supply of energy; and where the energy supplied is measured may charge a fixed sum per lamp per month.

18. *Purchase of materials.*—(a) The option of purchase given by section 7, sub-section 1 of the Act shall not be exercisable at the expiration of 48 hours from the commencement of the erection and on the expiration of every subsequent period of twenty days during the continuance of the erection. The percentage of the value to be determined in accordance with and for the purpose of sub-section (1) of section 7 of the Act of all lands, buildings, works material and plants of the licensee thereof mentioned to be added under the second provision of the sub-section to such value on account of compulsory purchase shall be twenty per cent.

(b) In accordance with section 8, sub-section (2), clause (1) of the Act, it is hereby expressly declared that the premises situate belonging to the licensee and to be used in connection with the undertaking shall form part of the undertaking for the purpose of purchase under section 7 or section 7 of the Act.

19. *Exemption from the Statute in the Act.*—In pursuance of section 3, sub-section (1), clause (f) of the Act, it is hereby expressly declared that Clause IX of the Statute in the Act shall be excepted from its operation in this license.

[Clause X (1) shall not apply in the case of unlicensed premises who are charged a fixed sum per hour per month.]

20. *Assignment of License.*—At any time after the commencement of this license, the licensee may, with the previous consent in writing of the Government of Madras, merge the license or transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works material and plant of the licensee) to a company formed or to be formed and registered in British India or in England under the English Companies Act hereby authorizing it also over the license and the said undertaking as the same may be used to exercise the powers and perform the obligations given or to be imposed on the licensee under this license and the said rules made under the Act and on such assignment or transfer the rights, powers and authorities, obligations and liabilities of the licensee shall be exercised by and shall attach to such company formed or to be formed as aforesaid.

21. *Revocation.*—If the licensee fail to comply with the provisions of any of the clauses herein, the license may be revoked.
